CAROL S. DIBBLE.

Mrs. V. D. Gardner, of Corvallis, was entertained by Mrs. William F. Fargo, as her house guest during the State Federation. Mrs. Gardner was a delegate from the College Folk club of Corvallis, a unique organization which is working along lines parallel to various needs and activities in college life. The club members entertain a number of the college girls individually at their homes from time to time, in groups of five, thus fostering the social spirit to a marked degree among the university women. Mrs. Gardner, who is the wife of Professor Gardner of the Horticultural Department at O. A. C., returned to Corvallis today.

Mrs. J. C. Pettyjohn and daughters, Helen and Lucile, left today for Nye, where they will spend several months. During Mrs. Pettyjohn's absence, Mr. and Mrs. J. L. Clark and son, Joseph Clark, and Mrs. Clark's mother, Mrs. Stewart, of Springfield, Oregon, will occupy the Pettyjohn residence at 145 North Fourteenth street. The Clark family, who have recently arrived in Salem, are one of Springfield's prominent families. Mr. Clark is manager of the Oregon Hop Growers' association. Mrs. Pettyjohn, who has gone to Nye Beach for recuperation and rest, will be at home to her friends in the Bar Harbor cottage on Coast street.

Mr. and Mrs. G. W. Johnson have returned from a pleasant outing of two weeks at Newport.

Miss Mary Binney and Edward Binney, Jr., who are the guests of their sister, Mrs. George Palmer Putnam, spent today in Corvallis, where they were shown the buildings and the grounds of the Oregon Agricultural college by President Kerr.

Mrs. C. H. Castner, of Hood River, and Mrs. Sylvia Thompson, of The Dalles, were entertained by Mrs. J. H. Albert, as her guests during the week.

Miss Ona Buchanan has returned to her home at McMinnville after attending the State Federation. She was the guest at the R. A. Harris home on North Cottage street during her stay in Salem.

Mrs. E. C. Platon had as house guests at her home on Court street this week, Mrs. Blaine McCord and Mrs. Herbert Gill, of Woodburn.

Mrs. Armin Steiner has returned from an extended stay at Coos Bay.

Guests of Mrs. J. D. Sutherland during the Federation were Mrs. Charles A. Bell and Mrs. Alta L. Page, of Hood River. Yesterday Mrs. H. J. Robinson, of Portland, was also a guest of Mrs. Sutherland.

Miss Laura Wagner has returned from a two weeks stay in Portland.

Mrs. Vale Hagedorn (Lydia La-Bauch) was pleasantly surprised on Thursday evening at her home, by a group of friends who gave a post nuptial shower in her honor. The evening was merrily passed with games and sewing. Later a buffet luncheon was served by Mrs. W. J. Hagedorn, Mrs. Henry Sauer and Miss Bonnie Bunn.

IN STERLING LIVES A GIRL

Who Suffered As Many Girls Do—Tells How She Found Relief.

Sterling, Conn.—"I am a girl of 22 years and I used to faint away every month and was very weak. I was also bothered a lot with female weakness. I read your little book 'Wisdom for Women,' and I saw how others had been helped by Lydia E. Pinkham's Vegetable Compound, and decided to try it, and it has made me feel like a new girl and I am now relieved of all these troubles. I hope all young girls will get relief as I have. I never felt better in my life."—Mrs. JOHN TETREAU, Box 116, Sterling, Conn.

Massena, N. Y.—"I have taken Lydia E. Pinkham's Vegetable Compound and I highly recommend it. If anyone wants to write to me I will gladly tell her about my case. I was certainly in a bad condition as my blood was all turning to water. I had pimples on my face and a bad color, and for five years I had been troubled with suppression. The doctors called it 'Anemia and Exhaustion,' and said I was all run down, but Lydia E. Pinkham's Vegetable Compound brought me out all right."—Miss LAVISA MYERS, Box 74, Massena, N. Y.

Young Girls, Heed This Advice.
Girls who are troubled with painful or irregular periods, headache, dizziness, dragging-down sensations, fainting spells or indigestion, should immediately seek restoration to health by taking Lydia E. Pinkham's Vegetable Compound.

The property includes the lots now occupied by frame one-story building from the Bligh hotel on State street to the new brick building just built by the Roth Grocery company. According to reports, the tenants of these buildings have been given 30 days' notice to vacate. While there has been rumors of the erection of a business block on this corner at different times for the past 10 years, yet this time there seems to be some basis for the report, as it is said negotiations are now under way for the renting of 50 feet of the building facing on State street by one of the leading firms of the city.

The Wrong Man Missed the Chickens Said Louis
Louis Carter, a 14-year-old colored boy, was committed to the reform school yesterday by Judge Bashey for the part the boy played in exciting numerous hens and other livestock upon the farm of a Marion county resident south of town. It appears that Louis came in possession of a 22 calibre rifle and finding wild game scarce he shot up most anything else that came into view including a few milk cans filled with milk, some crows that were turned upside down in the yard and then tried his marksmanship on the hens that inhabited the barn yard.
Deputy Sheriff "Babe" Needham asked Louis if he missed many of the hens, and Louis answered:
"No sub, the owwn was the one who missed 'em. That's why I'm here."

HIS AFFECTIONS VALUABLE
Portland, Or., Oct. 28.—Ten thousand dollars is the value Mrs. Lena Jacobson places on the affections of her husband in an alienation suit against Hattie Baker, on trial here today.

Madame Jeanne Jomelli, the famous diva who will appear at the Oregon to-night, was born in Amsterdam, Holland. Her earliest musical education was commenced before she was old enough to sit comfortably before the keyboard of a piano. As a child she studied for several years in London and later continued in Paris under the famous Madame Matilde Marchesi, who is said to have developed more world famous artists than any other person, among whom are Lillian Nordica, Emma Eames, Olive Fremstad, Mme. Tetrazzini, and Mme. Melba. In Germany she studied under Professor Stobhausen, and her more recent coaching was under the famous St. Saens and Massenet. The secret of Madame Jomelli's success lies not alone in her natural endowments, but also in her deep study and tireless energy. Her repertoire includes some eighty-five grand operas in their original languages. Her most beloved work, however, is in concert and recital, and her rendition of many simple English melodies has won her present place in American hearts. Among these is "Home, Sweet Home," great in its simplicity and sung without elaboration or flourish, the true test of artistic honesty. "This will be included in her program and 'The Last Rose of Summer.'"

SUDDEN DEATH

Caused by Disease of the Kidneys.

The close connection which exists between the heart and the kidneys is well known nowadays. As soon as kidneys are diseased, arterial tension is increased and the heart functions are attacked. When the kidneys no longer pour forth waste, uricemic poisoning occurs, and the person dies and the cause is often given as heart disease, or disease of brain or lungs.

This will be examined without charge by expert chemists at Dr. Pierce's Invalids' Hotel, Buffalo, N. Y. when you suffer from backache, frequent or scanty urine, rheumatic pains here or there, or that constant tired, worn-out feeling, it's time to write Dr. Pierce, describe your symptoms and get his medical opinion—without charge and absolutely free.

This "An-uric" of Dr. Pierce is 37 times more active than litmus, for it dissolves uric acid in the system, so hot water does sugar. Simply ask for Dr. Pierce's An-uric Tablets. There can be no imitation. Every package of "An-uric" is signed by Dr. Pierce. You will find the signature on the package just as you find on Dr. Pierce's Favorite Prescription, the ever-famous friend to ailing women.

Kidney Disease is suspected by medical men when patients complain of backache or suffer with irregular urination, disturbed, too frequent, scanty, or painful passage. The general symptoms are rheumatic pains or neuralgia, leg aches, dizzy spells, irritability, depression, weakness and general misery. Worry is frequent cause and sometimes a symptom of kidney disease. Thousands have testified to immediate relief from these symptoms after using Dr. Pierce's An-uric Kidney Tablets.—Adv.

Speculation Turned To Railroads Today
(Copyright 1915 by the New York Evening Post.)
New York, Oct. 29.—Speculators swung entirely away from war stocks today. It centered on railroads to such a degree that a series of important advances resulted. In a manner falling to suggest the urgent liquidation which yesterday succeeded reports of post-speculators bought railroad issues liberally, resulting in advances of one to three points, and in an exceptional case to 9%.
